About Famke Hoogeveen

Famke obtained a master's degree in IT, Intellectual Property & ICT from the VU University in Amsterdam in 2021. Famke also completed her master's degree in International Technology Law at the same university.

During her studies, Famke gained practical experience as a corporate lawyer at an international company in London, where her work included contracts for tech vendors, new technologies such as AI, and privacy-related issues. She also completed internships with various Amsterdam-based law firms, specialising in IT/IP and privacy.

During the final phase of her studies, Famke worked as a legal assistant at Van Benthem & Keulen.

Van Benthem & Keulen

Van Benthem & Keulen is the ambitious fullservice law and civil-law notaries firm and one of the top 20 largest law firms in the Netherlands. With more than 95 legal professionals, we focus on large and mediumsized companies and institutions within the retail, healthcare, finance, education, energy and government sectors. We are also happy to assist private individuals in the field of Family and Inheritance Law and Mediation. Our firm is part of SCG Legal: an international network of more than 120 law firms in over 60 countries. In 2016 and 2018, Van Benthem & Keulen won a Computable Award. In 2019 and 2021 Van Benthem & Keulen was chosen as the best legal services provider in the Netherlands (MT1000 best service providers in the Netherlands).
